## Edit rial Reviews

### Amazon.com

Ideal for reading and relaxing while sitting up in bed, this back rest not only provides lumbar support, it delivers a gentle, soothing massage and warms the back muscles with heat. A small reading light mounted on a flexible neck for precise adjustment is attached to the rest's back. Like the heat and massage, the light can be turned off with the attached control unit, which also offers the choice of three massage intensities. The entire unit, including arm rests, is thickly padded and covered with a soft fabric that can be spot cleaned. It measures 26 inches wide, 22 inches high, and 16 inches deep (including the arm rests), and it weighs 10 pounds. —Fred Brack
